Explore, Connect, Discover: JA Inspire® Virtual Career Hub presented by PSECU

JA Careers in Skilled Trades™ Lab
Discover a world of possibilities in the skilled trades industry. Engage in an exciting activity tailored for middle and high school students. The perfect chance to explore, learn, and envision your future path.

Explore Exhibit Halls
Roam exhibit halls and find the opportunity to uncover companies and careers that resonate with your aspirations. Let your curiosity lead you to new horizons and exciting prospects.

Engaging Students
Connecting students to CEW artifacts, supporting academic standards in work readiness, with a secondary focus on social studies, business, reading, and writing, and equipping educators with classroom sessions before the virtual career hub.

JA Inspire® Overview

The JA Inspire® Virtual Career Hub, presented by PSECU is now open for students in grades 6-12, offering them a unique chance to explore a wide variety of career paths available within Western Pennsylvania and West Virginia. This regional focus empowers students with knowledge and insights into local job markets and opportunities.

Our platform provides self-guided modules that effectively lead students through their career exploration journey. These modules are intuitive and easy to navigate, enabling students to gain valuable insights at their own pace. The experience is built to help them make informed decisions regarding their future educational and career paths.
